# Introduction

Welcome to the Hillingdon round of the 2016 National Youth Circuit Series races!

The event is organised by Hillingdon Slipstreamers and is being held at the Hillingdon Cycle Circuit, situated in Minet Country Park

The course is a purpose built road cycling circuit, 0.93 miles long with a great clubhouse and facilities and has a year round cycling and racing programme for all levels of cyclists.

We hope you have a great day and are looking forward to some exciting racing.

# Chairman's Welcome

A warm welcome to all competitors, their friends, families and clubs to this year's National Youth Circuit Series Races to be held at the Hillingdon Cycle Circuit and hosted by Hillingdon Slipstreamers Cycling Club. Welcome also to our BC commissaires, your time and experience is greatly valued and we hope you have a trouble free day.

Here at Slipstreamer's we strive to put on a memorable event for everyone participating and spectating. Many volunteering hours have gone into the preparation and organisation and we hope that all of you have a wonderful day.

This will be the first year we have support races for the under 12's, 10's and 8's and there will be some lovely prizes and trophies for those of you entering these races in the morning. The afternoon will see the main boys and girls under 14 and under 16 National series races and after some long hard racing there will be trophies and prize money on offer.

We have organised some trade stands, the Met Police bike marking team, BBQ's, music and an ice cream van amongst the delights of the day. So you can sit back after your race, have a bite to eat and watch the next race.

It would be wonderful if everyone could respect the effort that goes into judging and administration of the event and hope that parents and riders could remember to understand we all do this for you to enjoy and I would hope we all go home with smiles on our faces. It will be a very long day for all of our volunteers, some of whom will be here for 12 hours or more. So I would like to recognise that huge effort and say thank you to everyone who helps in any way they can.

Riders and parents – just simple things like putting rubbish in bins and a thank you will make all of the volunteers very happy. Read the rest of this programme as it does contain some important information for you all about the day.

Let's hope the weather is kind, the racing is good and the first aid team get very bored. Enjoy the day!

# Location

## Address

Hillingdon Cycle Circuit,  
Minet Country Park,  
Springfield Road, Hayes.  
UB4 0LP

Hillingdon Cycle Circuit is in Minet Park in Hayes, Middlesex, West London; and is easily accessible from the M4 and M40. The circuit is located on the east side of the A312 Hayes Bypass at the A4020 Uxbridge Road roundabout, about one and a half miles north of M4 junction 3. The entrance is in Springfield Road off the A4020 Uxbridge Road.

For sat navigators the post code is **UB4 0LP**

## Parking

Please park responsibly in the main Goals car park or overflow car park in the Minet Country Park next door, kindly doing so only within the marked bays. Parking is free throughout the day. NOTE: Height restriction barriers might be in place for early arrivals so please pay attention as you drive in. Larger vehicles and motor homes should park along Springfield Road.

PLEASE DO NOT park within the entrance gate to the circuit, or along the verges near the gate entrance as this blocks access for emergency vehicles and Goals visitors. Hillingdon Council and Goals do not allow parking overnight in either car park.

## Vehicle Security

Parking is at your own risk. Minet Country Park is a public park and as such there is a lot of foot traffic moving through the area. Do ensure you have not left any valuables in your car, or any items on the dashboard or seats that may attract thieves. Bikes should not be left on cycling racks unattended.

# Facilities

## General

The circuit facilities will open at 8:00 am on Sunday 17th July with access to changing rooms and toilets. Please ensure that you allow sufficient time prior to your race to park, register and warm up. There is hard standing both near the Clubhouse and at the start for using turbo trainers and rollers. Please do not block the walkways or access to the clubhouse or track when using turbo trainers or rollers. Please kindly take your rubbish home with you or use the bins provided.

## Catering

There will be catering - sandwiches, snacks, drinks - available to buy inside the Clubhouse, as well as a BBQ on the go. Ice-cream will also be on sale.

## Secure Your Valuables!

Keep your bikes(s) and all other equipment safe and secure at all times as the entire park, with the exception of the course itself, is also open to the general public. Thieves do operate in the area so please be vigilant!

## Police Bike Marking

The Metropolitan Police will be on site all day to provide free bike marking for those of you who would like to have your bicycles marked and details stored on the Police database.

## First aid provision

There will be full first aid cover for the day. In the unfortunate event of a rider needing to be taken to hospital, the nearest A&E hospital is:

Hillingdon Hospital,  
Pield Heath Road,  
Uxbridge, UB8 3NN

Tel: 01895 238282 | A&E tel: 01895 279314

## Photography

Please note that photography on behalf of Hillingdon Slipstreamers and by members of the press will take place throughout the day.

# Rider Information

## Gear / Wheel Rim Depth Restrictions

All races are run under the rules and regulations of British Cycling. A rider's bicycle must be made available for inspection at the discretion of race officials at any time up to and including the end of the event. The top 3 in each race must present themselves immediately at the finish to have their bikes rechecked.

### 1. Gear Restrictions

All bikes must be gear-checked according to those regulations before you can sign-on. Please ensure that your gearing complies to the BC restrictions which are there to protect riders and to make racing fairer for all. It is up to you to ensure that your bike gears are correct for your age category.

Youth A (Under 16)	Youth B (Under 14)	Youth C (Under 12)	Youth D (Under 10)	Youth E (Under 8)
6.93 metres	6.45 metres	6.05 metres	5.40 metres	5.10 metres

### 2. Wheel Rim Depth Restrictions

All wheels used during the event by riders in Categories B, C, D & E will be checked for compliance with section 3.2.7 of the regulations by a visual spoke count & the rim depth measured using a calibrated wheel depth jig.

## Signing On

Sign-on is inside the Clubhouse. The last sign-on for the National U14 & U16 races is 45 minutes prior to the start time, and 30 minutes for the U8, U10 & U12 support races. On the day registration is available for support races only on a first come first served basis. You do not need to be a British Cycling member to race in the support races. Day licences are available at sign-on for support races only.

All riders must have gears checked BEFORE going to sign-on, where you need to produce a valid BC racing licence. Event racing licence rules will be strictly adhered to for the National races. NO LICENCE - NO RIDE. A valid licence has an identifiable picture of the rider on it and is signed and completed with emergency contact info. Any extenuating circumstances are subject to the Chief Commmissaire's ruling, which is final.

# Racing Information

## Numbers

You will be provided with one number for your race. It is important that you position this as shown in the picture so the judges and cameras can correctly record your number. Failure to comply may result in not being placed! Racing will take place clockwise around the circuit for all races. There is no need to return your numbers.

## Your Safety

The circuit being used for the day's races is risk-assessed and we are confident it is safe, as validated by the regular events that regularly take place here. There are, however, a few corners that, in a bunch, require extra vigilance. Any rider not confident in the bunch is respectfully reminded to stay out of trouble. We all need to be aware that 'racing incidents' sometimes occur without fault. Any rider who the Commissaire deems is riding in a dangerous or compromising manner will be judged accordingly.

## Rider Responsibilities

Riders welfare is paramount and we will not tolerate behaviour of any kind which could affect this. Any complaints or incidents should be reported promptly to the Commissaire. If any regrettable circumstances arise, please behave in a way which allows any representations to be taken seriously.

## Your Race

You should be at the start line and ready for your race 10 minutes before your start time. Do not ride on the circuit until confirmation has been received by a marshal that the circuit is clear and the marshal has deemed it safe to ride to the pit area. There will be no opportunity to warm up on the circuit between races so do bring your rollers.

## Primes

There will be Prime laps in all of the U14 and U16 National event races.

# Racing Information

## Laps Out

British Cycling regulations for laps out due to technical problems state:  
“In a circuit race held on any circuit of less than 2 km a rider who punctures, crashes or suffers the breakage of an essential component will be permitted, except within the last five laps, to rejoin the race, after omitting one lap, in the same position as when the incident occurred, with the approval of the Chief Commissaire.”

All riders requesting a lap out must report to the pit official to ensure their number is taken and the reason for it has been authorised. It is not the responsibility of the official to note your number, but the rider's responsibility to ensure it is taken. The pits will be located next to the judges, and the officials will adjudicate as to where you may rejoin the race.

## Lapped Riders

Lapped riders will be pulled from the race, according to the British Cycling regulations as shown below:

**20.12.4:** “A competitor in a road or circuit event when lapped must, unless otherwise instructed by The Chief Commissaire, retire from the race and report to the control point at the finish of the race.”

**20.12.5:** “Where a lapped rider is allowed to continue, he/she shall not give pace or shelter to a rider by whom he has been lapped.”

## After Your Race

On completion of your race, leave the circuit immediately and do not cross the finish line a second time as this will be recorded by our judges and may result in a lower placement. At the end of each race, top 3 riders must immediately present themselves for gear checking by the start/finish area - if in doubt and 'in the mix' attend gear checking anyway. A rider's bicycle must be made available for inspection at the discretion of race officials.

Any rider evading the gear check or who has not complied with a check on request will not be classified in the results. The end of race gear check will take place within 100m of the finish and must be made on the bikes with only the riders present. Supporters may rejoin riders afterwards and must not touch the machine prior to the check. Any failure of such a gear-check or question of interference will result in immediate disqualification.

# Youth Support Races Programme

## On The Day Registration

If you have not pre-registered for the support races, you are welcome to register on the day. You don't need to be a BC member & day licences will be available to purchase if you don't have one already.

# Presentations

## Prizes

Presentations will take place outside the Clubhouse (weather permitting) where trophies and various prizes will be awarded to the winners in the various races. Be sure to listen out for announcements on the PA near the Clubhouse of when these will be!

There will be trophies and cash prizes for winners in both Boys and Girls Youth Circuit Series races. Winners in the Boys and Girls support races will also be receiving trophies and prizes. Please note that riders not present at the podium will be deemed to have donated their prize to Hillingdon Slipstreamers.

## BC Points Allocation

Ranking points will be allocated in accordance with the technical regulations of British Cycling.

# Acknowledgments

## Thank You!

Hillingdon Slipstreamers would like to thank the Hillingdon Cycle Circuit User Group for their support of this event and use of the facilities. We would also like to thank British Cycling for their continued support and trust in allowing us to organise the Hillingdon round of the National Youth Circuit Series.

### Young Volunteers

Throughout the day, young helpers varying from ages 6 to 16 will be involved in setup, administration, deejaying, serving drinks, ferrying start sheets & results to & fro, and making themselves available for any jobs going! They are...

Kim Bowler, Anastasia Vockic, Jemma Bowler, Elisabeth Marvelly, Orla Devlin,  
Nathan George, Ella Coleman, Tim Dineen

### Our Volunteer Army...

All the above are supported by an entire crew of helpers - parents & club officials - to ensure you have a fantastic day. A resounding thank you to every single Slipstreamers Volunteer who has helped before the event, and those who will be available to help throughout the day. **We couldn't do this without you!**

# A Bit About Hillingdon Slipstreamers

Hillingdon Slipstreamers is a youth only cycling club based at the Hillingdon Cycle Circuit in Minet Park. We are a registered cycling charity with an active membership range from ages 5 – 16 years. Run entirely by dedicated Volunteers, we provide a number of fantastic opportunities to grow and develop our cycling community. This includes training, racing and skills development for all levels in road, track, mountain biking and cyclo-cross, with a key emphasis on learning and fun.

We are avid supporters of youth development and actively encourage participation in the British Cycling Award for Young Volunteers scheme for those who like to take on a more hands on role in running the club, officiating or coaching; and for those who choose to remain on the volunteering pathway beyond the age of 16, the Club supports them in becoming Coaches or club administrators themselves. Our Member Representatives are the voice of their peers on the Committee and play an active role in the running of the Club.
