Introduction

Welcome to the Hillingdon round of the 2017 National Youth Circuit Series races!

The event is organised by Hillingdon Slipstreamers and is being held at the Hillingdon Cycle Circuit, situated in Minet Country Park.

The course is a purpose built road cycling circuit, 0.93 miles long with a great clubhouse and facilities and has a year round cycling and racing programme for all levels of cyclists.

We hope you have a great day and are looking forward to some exciting racing.

Chairman's Welcome

A warm welcome to all competitors, their friends, families and clubs to this year's National Youth Circuit Series Races hosted by Hillingdon Slipstreamers Cycling Club. Welcome also to our BC commissaires, your time and experience is greatly valued and we hope you have a trouble free day.

Here at Slipstreamers we strive to put on a memorable event for everyone participating and spectating. Many volunteering hours have gone into the preparation and organisation and we hope that all of you have a wonderful day. Please show our volunteers respect and consideration, without them this event would not be able to take place.

This year we have changed the order of racing to allow the National Series races at Under 16 and Under 14 to have the morning racing and the support races will be in the afternoon. Trophies and prizes will be awarded to boys and girls across all races. They will be awarded and as soon as possible after each race, so listen out for announcements.

We have organised some trade stands, the Met Police bike marking team, BBQ's, music and an ice cream van amongst the delights of the day. So you can sit back after your race, have a bite to eat and watch the next race. Do be aware this is a public park and we cannot stop members of the public crossing it, so please do keep your valuables safe at all times.

It would be wonderful if everyone would respect the effort that goes into judging and administration of the event, and we hope that parents and riders will remember to understand we all do this for you to enjoy. I would hope we all go home with smiles on our faces. It will be a very long day for all of our volunteers, some of whom will be here for 12 hours or more.

So I would like to recognise that huge effort and say thank you to everyone who helps in any way they can. Riders and parents – just simple things like putting rubbish in bins and a thank you will make all of the volunteers very happy. Read the rest of this programme as it does contain some important information for you all about the day.

Let's hope the weather is kind, the racing is good and the first aid team get very bored. Enjoy the day!

Alison Grant, BEM Club Chairman & Trustee

Location

Address

**Hillingdon Cycle Circuit,
Minet Country Park,
Springfield Road, Hayes.
UB4 0LP**

Hillingdon Cycle Circuit is in Minet Park in Hayes, Middlesex, West London; and is easily accessible from the M4 and M40. The circuit is located on the east side of the A312 Hayes Bypass at the A4020 Uxbridge Road roundabout, about one and a half miles north of M4 junction 3. The entrance is in Springfield Road off the A4020 Uxbridge Road.

For sat navigators the post code is **UB4 0LP**

Parking

Please park responsibly in the main Goals car park or overflow car park in the Minet Country Park next door, kindly doing so only within the marked bays. Parking is free throughout the day. NOTE: Height restriction barriers might be in place for early arrivals so please pay attention as you drive in. Larger vehicles and motor homes should park along Springfield Road.

PLEASE DO NOT park inside the entrance gate to the circuit along the approach to the clubhouse, or along the verges near the gate entrance as this blocks access for emergency vehicles and Goals visitors. Hillingdon Council and Goals do not allow parking overnight in either car park.

Main Car Park

Overflow Car Park

Vehicle Security

Parking is at your own risk. Minet Country Park is a public park and as such there is a lot of foot traffic moving through the area. Do ensure you have not left any valuables in your car, or any items on the dashboard or seats that may attract thieves. Bikes should not be left on cycling racks unattended.

Facilities

General

The circuit facilities will open at 8:00 am on Saturday 3rd June with access to changing rooms and toilets. Please ensure you allow sufficient time prior to your race to park, register and warm up. There is hard standing both near the Clubhouse and at the start for using turbo trainers and rollers. Please do not block the walkways or access to the clubhouse or track when using turbo trainers or rollers. Please help us keep the circuit safe and clean by kindly taking your rubbish home with you or using the bins provided.

Catering

There will be catering - sandwiches, snacks, drinks - available to buy inside the Clubhouse, as well as a BBQ on the go. Ice-cream will also be on sale.

Secure Your Valuables!

Keep your bike/s and all other equipment safe and secure at all times as the entire park, with the exception of the course itself, is also open to the general public. Thieves do operate in the area so please be vigilant!

Police Bike Marking

The Metropolitan Police will be on site all day to provide free bike marking for those of you who would like to have your bicycles marked and details stored on the Police database. Do visit them to say hello!

First Aid Provision

There will be full first aid cover for the day. In the unfortunate event of a rider needing to be taken to hospital, the nearest A&E hospital is:

Hillingdon Hospital,
Pield Heath Road,
Uxbridge, UB8 3NN

Tel: 01895 238282 | A&E tel: 01895 279314

Photography

Please note that photography on behalf of Hillingdon Slipstreamers and by members of the press will take place throughout the day.

Rider Information

Gear / Wheel Rim Depth Restrictions

All races are run under the rules and regulations of British Cycling. A rider's bicycle must be made available for inspection at the discretion of race officials at any time up to and including the end of the event. The top 10 in each race must present themselves immediately at the finish to have their bikes rechecked.

1. Gear Restrictions

All bikes must be gear-checked according to BC regulations before you can sign-on. Please ensure that your gearing complies to the BC restrictions which are there to protect riders and to make racing fairer for all. It is up to you to ensure that your bike gears are correct for your age category.

| Youth A (Under 16) | Youth B (Under 14) | Youth C (Under 12) | Youth D (Under 10) | Youth E (Under 8) |
|-----------------------|-----------------------|-----------------------|-----------------------|----------------------|
| 6.93 metres | 6.45 metres | 6.05 metres | 5.40 metres | 5.10 metres |

2. Wheel Rim Depth Restrictions

All wheels used during the event by riders in Categories B, C, D & E will be checked for compliance with section 3.2.7 of the regulations by a visual spoke count & the rim depth measured using a calibrated wheel depth jig.

Signing On

The last sign-on for the National U14 & U16 races and U12 support race is 30 minutes prior to the start time, and 55 minutes for U8 & U10 support races. All riders must have gears checked BEFORE signing-on, which is inside the main Clubhouse. Event racing licence rules will be strictly adhered to for the National races. You will need to produce a valid BC racing licence that displays an identifiable picture of the rider, is signed and completed with emergency contact info. Any extenuating circumstances are subject to the Chief Commisssaire's ruling, which is final.

On the day registration is available for U8 & U10 support races only on a first come first served basis. You don't need to be a British Cycling member to race in the support races; however, you will need a day licence which will be available at sign-on for £1.

Racing Information

Numbers

You will be provided with two numbers for your race. It is important that you position this as shown in the picture so the judges and cameras can correctly record your number. Failure to comply may result in not being placed! Racing will take place clockwise around the circuit for all races.

Your Safety

The circuit being used for the day's races is risk-assessed and we are confident it is safe, as validated by the regular events that regularly take place here. There are, however, a few corners that, in a bunch, require extra vigilance. Any rider not confident in the bunch is respectfully reminded to stay out of trouble. We all need to be aware that 'racing incidents' sometimes occur without fault. Any rider who the Commissaire deems is riding in a dangerous or compromising manner will be judged accordingly.

Rider Responsibilities

Riders' welfare is paramount and we will not tolerate behaviour of any kind which could affect this. Any complaints or incidents should be reported promptly to the Commissaire. If any regrettable circumstances arise, please behave in a way which allows any representations to be taken seriously.

Your Race

You should be at the start line and ready for your race 10 minutes before your start time. Do not ride on the circuit until confirmation has been received by a marshal that the circuit is clear and the marshal has deemed it safe to ride to the pit area. There will be no opportunity to warm up on the circuit between races so do bring your rollers.

Racing Information

Laps Out

British Cycling regulations for laps out state:

“Laps Out are no longer permitted. (T.R 20.3.3) Riders may take service from the pits if required however they must either chase back on or, if rejoining, will be considered a lap in arrears.”

Lapped Riders

Lapped riders will be pulled from the race, according to the British Cycling regulations as shown below:

20.12.4: “A competitor in a road or circuit event when lapped must, unless otherwise instructed by The Chief Commissaire, retire from the race and report to the control point at the finish of the race.”

20.12.5: “Where a lapped rider is allowed to continue, he/she shall not give pace or shelter to a rider by whom he has been lapped.”

All lapped riders, including those who have received service, must be withdrawn with 3 laps to go.

After Your Race

On completion of your race, leave the circuit immediately and do not cross the finish line a second time as this will be recorded by our judges and may result in a lower placement. At the end of each race, top 10 riders must immediately present themselves for gear checking by the start/finish area - if in doubt and ‘in the mix’ attend gear checking anyway. A rider’s bicycle must be made available for inspection at the discretion of race officials.

Any rider evading the gear check or who has not complied with a check on request will not be classified in the results. The end of race gear check will take place within 100m of the finish and must be made on the bikes with only the riders present. Supporters may rejoin riders afterwards and must not touch the machine prior to the check. Any failure of such a gear-check or question of interference will result in immediate disqualification.

Presentations

Prizes

Presentations will take place outside the Clubhouse (weather permitting) where trophies and various prizes will be awarded to the winners in the various races. Be sure to listen out for announcements on the PA near the Clubhouse of when these will be.

There will be trophies and cash prizes for winners in both Boys and Girls National Youth Circuit Series races. Winners in the Boys and Girls support races will also be receiving trophies. Please note that riders not present at the podium will be deemed to have donated their prize to Hillingdon Slipstreamers.

BC Points Allocation

Ranking points will be allocated in accordance with the technical regulations of British Cycling.

Acknowledgments

Thank You!

Hillingdon Slipstreamers would like to thank the Hillingdon Cycle Circuit User Group for their support of this event and use of the facilities. We would also like to thank British Cycling for their continued support and trust in allowing us to organise the Hillingdon round of the National Youth Circuit Series.

Young Volunteers

Throughout the day, young helpers varying from ages 6 to 16 will be involved in circuit setup, administration, deejaying, serving drinks, ferrying start sheets & results to & fro, and making themselves available for any jobs going!

And Of Course, Our Volunteer Army...

All the above are supported by an entire crew of incredible helpers - parents & club officials - to ensure you have a fantastic day. A resounding THANK YOU to every single Volunteer in the Slipstreamers Community who has helped before the event to ensure we are organised and ready to go, as well as those who will be available to help throughout the day. **We couldn't do this without you!**

A Bit About Hillingdon Slipstreamers

Hillingdon Slipstreamers is a youth only cycling club and a registered charity with an active membership range from ages 5 – 16 years. We deliver cycle coaching sessions every Saturday of the year at Hillingdon Cycle Circuit, regular off-site discipline specific sessions such as mountain biking and track; as well as development workshops, youth leadership training and mentoring throughout the year. We are committed to providing equal opportunity in cycling skills and development for all young people, encompassing the principles of all-inclusiveness and accessibility in everything we do.

We have worked effectively with children who are not traditionally active and openly struggle with sport due to shyness, disability or other barriers, encouraging participation by tailoring activities to individual needs. Where there is interest in competition, we develop and support aspirations; equally ensuring there are a diverse range of non-competitive activities where children can build skills, or just have some fun in a safe environment. Via our Young Volunteering programme, we provide opportunities for growth and resilience building - normally shy children “under the radar” have flourished into confident and assertive individuals simply by being allowed the space to grow and build confidence.

None of what we do would be possible without our committed Volunteers who work hard to share their enthusiasm, encouragement and put time towards helping young people be the best they can be. We are immensely proud to be in the company of every single one them week in week out. Chapeaux!
